

## PLEASE JOIN US!

First School is happy to host a variety of extracurricular learning activities for children in Dayton and surrounding areas. We are always finding ways to help young students ignite their natural curiosity. Through participation in Explorers' Club classes students will hone social and motor skills while interacting with friends and teachers in fun and enriching ways.

# An Enhanced Educational Experience

Come join us for a fun and enriching new learning experience at First School for Ages 3–6.

Our teachers have created exciting classes geared to curious

young minds. Join us for one, two or all of our daily Monday–Thursday Explorers’ Club classes

Most classes will be month-long offerings while others will last for 8 to 10 weeks.

Dance class on Thursdays is a year-long class.

Classes will meet from 11:10 a.m. until 12:45 p.m.

**All are welcome** — you do not need to be currently enrolled at First School to attend.

## Class Schedule

**OCTOBER:** On Mondays through November 13 fellow parent, Courtney Adam will offer YOGA FOR PRESCHOOLERS.

Wednesdays we will continue our Soccer Shots class.

On Thursdays: Dance class with Mrs. Merrill. Your child will be introduced to a variety of dance disciplines such as ballet, jazz, hula, hip hop, etc. Performances given during class at Christmas and end of the year. No special clothes or shoes are required. A wonderful introduction to dance in a great low-key environment.

**NOVEMBER:** On Mondays Yoga for Preschoolers continues. On Tuesdays and Thursdays (both days for a total of four classes for the month) COOKING Class will teach the importance of following the directions of a recipe. Children will learn to add ingredients in a special 1, 2, 3 order. They will also learn about chemical reactions through experimenting with different recipes. Math will be highlighted through using different measurements.

**DECEMBER:** Holiday Crafts will be taught on Tuesdays and/or Wednesdays. Your child will make gifts for the special people in their lives.

**January:** Our Friends at the Stephen K. Hayes Quest Center will teach a four week Mighty Dragons Ninja class on Mondays and Wednesdays emphasizing skills which greatly enhance self-confidence and respect. On Tuesdays and Thursdays we will offer a Drama Class and Folk Tales class.

**February:** Look for a professionally taught rhythmic DRUM and MOVEMENT program de-

signed for whole-body and brain development. Healthy Cooking class and Jr. Builders, classes will also be offered.

**March:** Explore favorite authors with a variety of classes focused on Dr. Seuss, Laura Numeroff, Eric Carle, Pete the Cat, Llama Llama. The Wednesday Drums class will continue.

**April:** STEM classes, Tools Class, Gardening Class, Painting Class, Theatre Class, and CODING Class for ages 4 to 6 will be taught in April as our final and very busy month of Explorers’ Club.

Students who are at home in the morning may be dropped off at school at 11:05 with their lunches.
