### WINTER ANIMALS IN OHIO: Jan 23 through Feb. 3

We will be learning about  
Ohio winter animals dur-  
ing these two weeks. Each  
classroom and teacher is  
putting a tray together to  
teach us about an animal.  
The 8 trays will visit each  
classroom and we will  
learn about 8 different  
Ohio animals we could see  
in the winter! Be sure to  
ask your student which ani-  
mal they learned about  
each day of these two  
weeks. See if you can find  
these animals in your own  
backyard!

## YOUNG 5'S & KINDERGARTEN READINESS INFORMATION

Are you wondering about the transition from pre-school to Kindergarten? Is your child ready? Wondering what kinds of things you can do to help your child have a great year? Are you wondering what the advantage of First School's Kindergarten might be? Would a Young 5's program be appropriate? :

Please contact Shayna Schroeder if you need more information about:

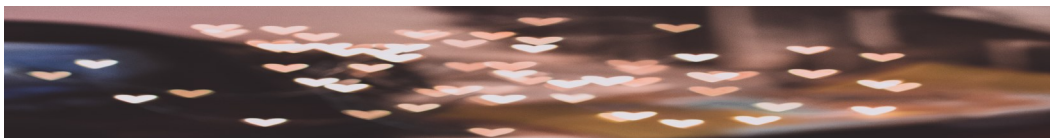

- What children are expected to know going into Kindergarten
- Young 5's programs vs. Kindergarten Programs
- The process of transition from pre-school to any Kindergarten
- What you can expect in a typical Kindergarten class – both curriculum and schedule
- What things you can do with your child to assure a great start in any program

Shayna is more than willing to work with you as you transition to Young 5's or Kindergarten. We are excited to be able to offer both of these programs at First School which have the advantage of very small class sizes as well as abundant individualized instruction. **Contact [Shayna@FirstSchoolDayton.com](mailto:Shayna@FirstSchoolDayton.com) to set up a meeting.**

*\*Kindergarten class must have at least six students enrolled to occur.*

### Valentine's Day is Coming
